

I am writing to express my interest in being considered for the CCGA C&A Treasurer role. I come with a range of skills and experience that make me an excellent candidate. In the past I have run my own business and studied accounting at Niagara College. I am well organized and have excellent written and oral communication skills.

I am not new to this role, as I previously filled the treasurer position from 2017 to 2019. I've been a CCGA member for the past 8 years, a unit leader for 6 years, and a District Director. I am well versed in how the Auxiliary functions and what the needs of the organization are.

As a Unit Leader I have played a key role in our fiscal activities, often finding way to use funds more efficiently as well as acquire additional funds. As a signing officer, I take my fiduciary responsibilities very seriously. In my day job I manage a budget for 13 remote locations.

I have a proven track record as a team player and would welcome the opportunity to return to the executive of the organization I have spent so many years being passionate about.

Sincerely,
Norm Dashwood
